

At PwC Greece, we believe change is the new constant. An enterprise's ability to innovate, adopt new technology and disrupt the status quo is a core capability needed to thrive. We support and guide clients to disrupt their existing business models. Innovative mindsets and human ingenuity are always welcome. This is why we are looking for you.

If you are a problem solver with motivation to learn, someone willing to collaborate with different teams across PwC Greece, a good communicator with high emotional intelligence and someone willing to take ownership beyond the obvious, then you are the one!

If you are committed to excellence in client service and passionate about how technology could be an enabler in our digital world, then you are the one!

Operations team combines industry knowledge, subject expertise and extensive experience in operational strategy formulation, operational effectiveness, project management, operations transformation, procurement transformation and supply chain optimisation. Our client base consists primarily of large and medium organisations. Due to the continued growth of our practice, we are now recruiting high calibre **Graduates** for our **Operations** Consulting team in Athens.

Examples of tasks you will work on as part of the team:

- Be a member of large projects around the areas of digital operations and supply chain transformation, supply chain strategy and execution, target operating model, strategic network design
- Shape and deliver projects to meet and exceed the expectations of our clients and our own quality criteria
- Produce clear, persuasive and concise documents for senior audiences
- Participate in the quantitative analysis, assessing the depth required for an individual work-stream on each assignment, translating the analysis into useful findings and quality assuring the results
- Continue to develop internal relationships and developing the PwC brand

What we are looking for:

- Excellent academic records from a Greek or foreign top-tier university with background in Engineering, Supply Chain, Management Science, Supply Chain Analytics, Operations Research, Business, or related discipline
- MSc on a related discipline from top tier business schools will be highly regarded
- 0 - 1 years of relevant working experience in at least one of the following disciplines: Operations transformation, Supply Chain transformation, Procurement transformation, Operations excellence, Project management.
- Excellent business analytical and problem solving
- Familiar with business procedure, processes, and tools
- Adaptability and agility to change; Innovative, thoughtful, and enthusiastic attitude about learning
- Commitment to providing excellent quality work and building client relationships

- Confident and positive attitude, focused on teamwork and communication with colleagues and clients at all levels

What's in it for you

At PwC is all about people, encouraging high performance and quality work.

Being part of our team includes:

- 🕒 Hybrid working model
- 💎 Competitive total compensation package
- 🏠 Health and life insurance
- 👤 Dress for the day - wear what makes you feel comfortable and dress for your day
- 💻 Company mobile phone and laptop
- 🌴 Extra days of annual leave
- 🧘 Wellness Initiatives like gym sessions & nutritionist
- 🏃 Actions Teams eligible to participate (e.g. Running, Trekking)
- 📖 Career development opportunities & continuous training whilst learning from a wide range of top professionals and through tailor made training programmes
- 🌐 Global mobility opportunities

Please note that all well being benefits mentioned above are subject to annual review.

If you're looking for a team that values your work and solves meaningful problems, apply now!

We believe the best work is human-led and tech-powered. If you're keen to apply and need reasonable adjustments or would like to note which pronouns you use at any point in the application or interview process, please let us know.
