## GRADUATE PROGRAM

At Euronet, we believe in technology as an enabler of change and growth. We are passionate about innovation that supports expansion through new products and new markets around the world, with a human-led and tech-powered approach. We always cater for the needs of businesses and consumers as they evolve in a very dynamic and changing payments landscape.

The Horizon Graduate Program is an initiative of Euronet in Greece to invite University graduates to join our company for an initial period of 6 months, under a paid employment contract. You will work as an integral part of our teams, under the leadership of experienced managers that value your work and solve meaningful problems. Upon completion of this initial period, the opportunity for an open-ended employment will be offered for selected candidates that showcase excellence and wish to work in a multinational organization.
