

We are the leading player in the Energy sector in Greece.  
Our customers are at the heart of everything we do and we constantly seek new ways to make them happy through our products & services.  
To further support our growth, we are expanding our teams and we are seeking to recruit, Athens based:

## **Junior Energy Regulatory Affairs Intern (Χρηματοδοτούμενη Πρακτική Άσκηση μέσω ΑΤΛΑΣ/ ΕΣΠΑ)**

### **The role will:**

- Document and analyze key regulatory, legislative, and policy frameworks at both Greek and EU levels related to energy markets.
- Address internal inquiries on regulatory and compliance matters.
- Organize and maintain relevant literature, databases, and records.
- Collaborate with internal teams to clarify and provide insights on the energy market and regulatory framework.

### **Qualifications & Skills:**

- BSc student or graduate in Engineering - preferably with specialization in Energy
- Excellent use of Microsoft Office 365
- Fluent in English, both written and spoken
- Knowledge or understanding of the Energy Markets will be considered a plus
- Work equally well independently or as part of team

### **We offer:**

- A modern, dynamic working environment that inspires engagement and teamwork
- Complete access to all our targeted learning resources
- All the state-of-the-art tools you need to work
- A 24/7 support line and complementary events to support your holistic health

Please send us your CV at [n.mintzira@fysikoerioellados.gr](mailto:n.mintzira@fysikoerioellados.gr). We look forward to reviewing your application.

We encourage a working environment of trust, diversity and safety. We invite applicants of diverse background, and we hire without regard to any characteristic protected by law.  
All applications will be treated in the strictest confidentiality.
