

Production Engineer (Thiva)

Shape the Future of the Cable Industry – Unleash Your Potential!

Work4u is looking for a talented **Production Engineer** to join a dynamic and growing team at a leading provider of high-quality cable solutions. If you're ready to contribute to operational excellence and be part of a forward-thinking company, we want to hear from you!

Position: Production Engineer

Location: Thebes (Thiva), Central Greece

Our client is committed to manufacturing cutting-edge cable products and delivering exceptional customer service. As they continue to expand operations and explore new markets, they are looking for passionate individuals eager to make a difference and contribute to the ongoing success of the company.

Responsibilities:

- Oversee the execution of the production program and implement corrective actions as needed.
- Manage, evaluate, and propose enhancements for working conditions, functionality, ergonomics, and performance in responsible departments (aiming to increase productivity and reduce scrap, rebates, and overweight issues).
- Recommend and oversee the incorporation of new materials.
- Furnish process documentation and operational instructions.
- Ensure strict adherence to safety guidelines and company standards.
- Provide recommendations for system modifications or investments to enhance efficiency and reduce operating costs.

Qualifications:

- Diploma in Mechanical, Electrical, Chemical Engineering or related field **from a Polytechnic School**
- Up to 5 years of relevant experience in industrial environment
- Fluent in English
- Strong analytical skills to evaluate problems/opportunities and drive cost-effective solutions
- Effective interpersonal, communication and teamwork skills
- Strong organization skills to prioritize workload
- Results and action oriented
- Ability to provide timely and effective communication

The Company Offers:

- A unique opportunity to thrive in one of the pioneering companies in cable manufacturing
- Competitive remuneration package
- Life & Health Insurance Plan
- Additional Bonus, based on results

- Company Car
