

Occupational Health & Safety Consultant

Ergonomia SA is the leading company in the field of Occupational and Industrial Safety, aiming at the establishment of a safe and productive workplace. Ergonomia is well-established, both in domestic and international markets for the reliability and high quality of its services.

Role Description

We are seeking a motivated and qualified **Safety Officer** to join our team and contribute to the implementation and continuous improvement of Occupational Health & Safety (OHS) practices. The ideal candidate will support our clients by offering expert guidance on workplace safety and ensuring compliance with Greek legislation (Law 3850/2010).

Key Responsibilities:

- Provide **consultation** on Occupational Health & Safety
- Ensure the **correct use of Personal Protective Equipment (PPE)**
- Conduct **risk assessments** and propose **preventive measures** to eliminate or reduce workplace hazards
- Investigate **workplace accidents**, determine root causes, and suggest corrective actions
- Contribute to training sessions and raise awareness on occupational risk prevention

Qualifications:

- University degree in Engineering (Mechanical, Electrical, Civil, Chemical, Naval Architecture and Marine or equivalent field)
- Knowledge and application of Greek OHS legislation
- Prior experience in occupational safety roles is an asset
- Strong analytical and reporting skills
- Excellent communication skills in Greek and English
- Proficient in MS Office tools
- Team-oriented mindset with a proactive and problem-solving attitude

We Offer:

- Ongoing training and professional development opportunities
- Opportunities for career advancement

The personal data collected will be used for recruitment purposes only. Candidates not notified within 8 weeks after applying, may consider that this time another candidate has been selected. At present, we thank you for your interest and we reserve your application for future job openings. Candidates who will be contacted, may be asked for further information as part of our screening process.

In ERGONOMIA SA we are committed to providing a safe and enjoyable place to work, regardless race, religion, color, sex, national origin, age, sexual orientation, gender, or disability
