

ELEVATE YOUR SKILL SET.

MIT Sloan's Graduate Degree Programs

Are you interested in a deep dive in finance or data science to jump-start your career? On **October 29** tune in to learn about our STEM-designated master's degree programs— [Master of Finance \(MFin\)](#) and [Master of Business Analytics \(MBAn\)](#).

You will learn how MIT's programs integrate expertise from the MIT Sloan School of Management, MIT Operations Research Center, Golub Center for Finance and Policy, and Lab for Financial Engineering. Admissions representatives will answer your questions about the application process and share advice on how to best prepare yourself for one of these programs.

Join us online. We can't wait to meet you!
